

Implementation of the RMDS Report Retention Schedule and List of Official Books

MAIN implemented the RMDS Report Retention Schedule and List of Official Books during last night's batch run (02/11/99). Certain daily reports from the List of Official Books did not distribute to the proper 'buckets.' This means that users may not be able to see some RMDS daily report versions. Staff from MAIN are working on the problem and will have it corrected today. MAIN will notify users when this problem has been corrected.
